

## Salone del Mobile 2014

DESIGN / 11 APR 2014

The international design crowd has descended on Milan for the world's most important furniture fair, the Salone del Mobile (8-13 April). As the Rho fairgrounds swing open their doors and every urban inch of the city is transformed into exhibition space – from hidden palazzos to the windows of luxury fashion stores - we'll be hitting the ground running to uncover the best that the design world has to offer for 2014. Keep checking back for all the fun of the furniture fair
